

Oops!

Today's game is going to require at least two people. If you have more than two people, split up into even teams, because it's time for Oops!

The goal of Oops is to get your partner to say a word, but you cannot describe it using any of the other words on the card. If you use one of the forbidden words, your team loses a point.

You get one point for each word your partner correctly guesses.

You have 30 seconds to get your partner to say the clue word.

YOU MAY NOT:

- Use Any of the Oops Words (the words listed under the clue word)
- Use Any Objects
- Any Part of the Word Itself
- Use "Sounds Like"
- Use "Rhymes With"
- Act Out the Clue Word

Print and cut out the clue cards on the next two pages!
